Peninah Kahuria

Graphic Designer

I'm a self-driven creative designer with a strong background in graphic design and UI/UX design. I am highly creative with extensive experience in adobe creative suite. I can take ideas from concept to wire- frames to prototype .I have skills in programming languages such as JavaScript, Python, and HTML/CSS. I am proficient with UI/UX Design having done projects to completion. I am currently seeking a position as a UI/UX Designer so as to collaborate with a team in creating and designing visual concepts.
